SCHOOL BUS

School Policy Document

Rationale:

▪ Student behaviour on and around buses, and the efficiency of bus services are of vital importance to student safety, an effective bus service and maintenance of student enrolments.

Aims:

▪ To ensure that students travelling to and from our school by buses do so safely, and in a manner consistent with DEECD policies and regulations.

▪ To ensure bussing issues are dealt with effectively and efficiently.

Implementation:

▪ Students attending government schools are eligible to receive free bus travel to their nearest school, so long as they reside more than 4.8 kilometres from that school.

▪ Students attending government schools are also eligible for a Conveyance Allowance so long as they attend the nearest school, no bus service is available and they live more than 4.8 kilometres from the school, or they live more than 4.8 kilometres from the nearest bus stop.

▪ A student may access travel to a school other than the nearest school upon payment of a fare. Such travel is conditional upon space being available on the bus after all eligible travellers have been catered for. Approval is on a term-by-term basis.

▪ Our school will designate a staff member as the bus coordinator. They will undertake all responsibilities associated with bus travel by students.

▪ Our school bus coordinator will ensure all students travelling regularly by bus undertake revision of bus safety rules and procedures.

Bus Rules
